Issue 44

WINTER 2015/2016

Board of Supervisors: Edward Brensinger

Manager: Cheri Grumbine

Richard Miller

Chief of Police:

A. Bruce Sattazahn

Harold Easter

SNOW PLOW INFORMATION

Plowing Procedures - During any significant snowfall the goal of the Twp. road crew is to clear or remove all snow from the roadways in order to provide all motorists safe and passable roadways. All main thoroughfares are priority with the secondary roads being the last to be cleared. While every effort is made to accommodate all Twp. residents, there may be a delay in plowing services for some secondary areas which includes developments. Vehicles parked on the roads may prohibit the plows operating as effectively as the crew would like. Understanding and cooperation is the key to success during this period of time. Property owners are encouraged to adhere to state guidelines when plowing/shoveling ice and or snow off driveways that lie adjacent to state and township roadways.

A note from the highway crew:

Please **DO NOT** park vehicles on street during a snowstorm. **WHY?**

- * If you park in your driveway there will be less snow for you to shovel
- * When the plow steers around parked vehicles the snow plow unloads at your vehicle
- * If the plow truck damages your vehicle the township is not responsible for repairs per State law
- * Road crews can clear roadways better, so after the storm you will be able to park on the street
- * Piles left on the street tend to freeze solid and could become a bigger possibility of causing damage to your property and township equipment.

Basketball Nets - During the snowplowing season any sports equipment (net, hoop, or backboard) in the Township right-of-way should be removed. Any damage inflicted by Township vehicles during this season will be the sole responsibility of the property owner.

Mailboxes - Mailboxes that have been knocked down as the result of snow removal are a concern to the Twp. as well as the property owner. Every attempt is made to avoid damaging mailboxes, although the main goal is to ensure that all snow is removed from all travel-ways and shoulder areas. Mailboxes that are too close to the road or are mounted on poor supports are sometimes toppled. Wet, heavy snow also increases the possibility of post damage incurred by Township trucks during the season. Chances are mailboxes will be toppled, as this type of snow has more force when being pushed off the plow. Residents should consider putting a protective shield surrounding their mailboxes. Any mailboxes/posts located in the Twp. right-of-way remains the responsibility of the property owner.

Hanging Tree Branches and Over-Grown Plants

The Township road crew have damaged trucks & equipment when striking low hanging branches. This is especially bad when they are laden with ice and snow. Property owners are responsible for trimming trees and plants. If property owners don't trim trees and plants, the Township is allowed by State law to trim trees to provide for the safety of motoring public.

ELIMINATE ...Snow piles at the driveway entrances whenever possible.

DO NOT - push ice/snow out onto roads at any time. This creates hazardous driving conditions for all vehicles.

NOTE - The result of this activity will be a citation issued from the NLT police, as it is a violation of Ordinance 1-1999.

The following developments and roads are not dedicated to the Township which means the Township does not plow these roads: Homestead Acres Phase 3 & 4, Crossings at Sweet Briar, any part of Watson St. Gary Ave. to Jay St., Narrows Glenn (Mallard Ln).

Snow Emergency Route :

The following are designated as snow emergency routes. Parking shall be prohibited on the cul-de-sac portion of the following streets during times of snow and/or ice emergency:

- New pavilion rental dates available February 1, 2016.

**Weekday rentals available
at reduced rental fee.**

2015/2016 OFFICE CLOSING
Dec. 25, 2015
Jan. 1, 2016

WINTER ITEMS/MEDICAL ROUTINES

Winter work details are being planned. Residents with any health issues which will require frequent visits, daily trips to or from medical facilities or medical home deliveries should be communicated to the Township Office in written form and done annually.

The following information is required:

Name

Address

Phone Number

A brief description of the routine medical schedule.

This will enable the crews to be informed of priority situations so when there is a **significant snow fall, 6 inches or more**, the road crew will make these areas a priority (this does not mean that crews will be at these residences first but as soon as possible) during the winter season.

Township Maintenance Crews/Equipment

The crews will be out during the winter season. **CAUTION** is urged when approaching (foot or driving) any Township vehicle. Visibility is a definite problem when operating these larger trucks. Always approach the front side of the vehicle where drivers can see you.

Your **safety** is of importance to us.

North Lebanon Township Police Department

IT'S THE LAW

**Section 3581 of the Vehicle Code of Pennsylvania entitled
Electric Personal Assistance Mobility Devices (EPAMD) states:**

Every EPAMD when operated on a sidewalk, sidewalk area or highway between sunset and sunrise shall be equipped on the front with a lamp which emits a beam of white light intended to illuminate the EPAMD operator's path and visible from a distance of at least 500 feet in front, a red reflector facing to the rear which is visible at least 500 feet to the rear and a reflector on each side.

Section 3510 of the Vehicle Code of Pennsylvania requires children under 12 years of age shall not operate or be a passenger on a bicycle without wearing a helmet meeting the American National Standards Institute.

All persons operating a pedal cycle on a public roadway must obey all the rules of the road including but not limited to riding on the right side of the roadway.

Police Department Personnel Receive Life Saving Awards:

Congratulations to Sergeant Andrew Herberg and Officer Ricky Kline who on the same day in October had on occasions to perform CPR on a person having a heart attack and to pull a person from a garage filled with carbon monoxide. Our Township Officers remain current on life saving skills and at times are called upon to use the training and skills to save lives.

The Twp. and the Police Dept. both have **24 hr. exterior deposit or drop off boxes**. The phone number for county dispatch is listed on the Police Dept. door for after hour office needs:
Dispatch: 717-272-2054 Police Dept.: 717-273-8141

We would like everyone to take a moment to remember our ARMED FORCES and VETERANS!!!

Recycling in NLT is mandated under Act 101.

What does this mean to our residents?

All residents within the Twp. are required to recycle. All licensed haulers within the Twp. are required to pick up at least twice a month the following recyclables curbside: plastic bottles, jugs, & jars #1 thru #7, steel & aluminum cans, and glass bottles & jars. The township has a cardboard and office paper, magazine, glossy paper roll offs that are located inside of the yardwaste facility.

Recycling containers are free at the Township Office.

DO RECYCLE

Plastic Bottles, Jugs, & Jars
Please rinse before recycling.

Steel & Aluminum Cans, Foil
Rinse and remove food residue

Glass Bottles & Jars
Rinse Containers

Mixed Paper/Paperboard, Magazines, Newspaper & Corrugated

DO NOT RECYCLE

NO Plaster butter tubs, cup, yogurt containers, fruit containers. NO plastic bags

NO containers with food residue.
NO scrap metal or pots/pans

NO glass or ceramic dishes. NO glasses or vases. NO lightbulbs

NO paper towels or tissues. NO waxy paper or food residue. NO hardback books unless covers are removed. No blueprints. NO wet or yellowed paper.

The township office no longer accepts old cell phones for recycling.
Cell phone can be taken to the GLRA Electronics Facility for recycling.

SEWER BILLING DATES ARE AS FOLLOWS: February 10 May 10 August 10 November 10

If you do not receive a bill by the end of these months. Please call - 717-273-7132 **We can NOT waive late fees.**

When writing out checks please consider printing everything except your signature. Banking institutions may not accept illegible writing. Also, please verify that the amount written (**ex. Thirty-Five Dollars and 00/100**) matches the cash number (**ex. \$35.00**) on check and that the check is signed. Any of these situations have the potential to make a sewer bill late and incur late charges.

ACH Transactions through your bank does not mean the amount you designate for your sewer payment is automatically sent to your sewer account. What happens is the bank deducts the amount from your bank account and at some point in time prints out a paper check then mails it to the Township via United States Postal Service. If you use this process the Township recommends having the sewer payment deducted from your account at least seven business days from due date. If check arrives in the Township office after 4pm on the due date it will be considered late and the sewer account will be charged the late fee.

If you have any questions, the complete payment policy is on our website.

NLT ONLY ACCEPTS Cash, Check, or Money orders. NO DEBIT OR CREDIT CARDS will be accepted!

2016 CHRISTMAS TREE DROP-OFF

NLT will be accepting unbagged, undecorated Christmas trees
December 26, 2015 thru
February 12, 2016.
The drop-off area is marked and located outside the yardwaste facility gate.
